Introducing The Patrons of Scarborough Area Music Centre

The Music Centre in Scarborough provides opportunities for young people from all over the Eastern Area of North Yorkshire to work together to produce music of performance standard. The patrons have recently funded some free trial lessons on rare instruments in order to alleviate the national shortage and enable the Music Centre ensembles to be more complete. They also have the opportunity to take part in masterclasses given by visiting specialists, prestigious concerts and festivals.

If you believe such opportunities are valuable please consider becoming a patron and help to keep our Music Centre alive.

In return for an annual subscription of £10.00 the patrons receive a newsletter, a reduction in the price of tickets for concerts arranged by Music Centre and an invitation to one of the open mornings held at the Centre each year.

If you are a taxpayer, as a registered charity, we can reclaim the tax on your subscription, if you are prepared to sign the declaration below.

If you would like to join us, please fill in the tear off slip below and post it, together with your £10.00 donation per subscription to the address shown below.
